## Facility Access Rules – October 2021

- Entry will be permitted 30 minutes before your ice time. All participants and spectators are to enter through the main lobby entrance at the top of the stairs. Check-in with staff inside the door and complete necessary screening and entry procedures.
- **AS OF OCTOBER 31<sup>st</sup>** - Proof of vaccination is required for all patrons aged 12 and over. All patrons must show their proof of vaccination along with ID to be verified to gain entry to the facility, each time they enter the facility. No in and out privileges.
- ALL individuals entering the facility must complete appropriate screening procedures upon entrance to the facility
  - *To help ensure efficient screening, users are encouraged to pre-screen utilizing the CANATRACE app prior to entering the facility, and show staff the green check mark upon entry*
- Dressing rooms will be available and assigned for each group, with no capacity limit for the number allowed in each dressing room. Access will be limited to 25 minutes prior to and following each ice time. Showers are now open and available for use.
- Dressing room keys will not be provided at this time. Rooms will remain unlocked during your ice time. Leave all valuables and personal belongings at home or bring them to the bench with you – we are not responsible for lost items.
- Spectators are permitted, and there is no limit of the number of spectators per participant. All spectators must also complete screening and proof of vaccination procedures upon entry.
- Masks or face coverings are mandatory, except when participating in on-ice activities. Masks must be worn in the dressing room and by coaches on the benches.
- It is the responsibility of each group or organization to have prepared a safety plan in accordance with Section 3.3 Schedule 1 of the provincial regulation 364/20.
